Text Alerts from *Remind*

A way to follow us and receive reminders from Mr. Wine about band events!

WHAT IS REMIND AND WHY IS IT SAFE?

Remind is a one-way text messaging system that many school systems and teachers (including several at AJHS) use. With Remind, all personal information remains completely confidential. Teachers will never see your phone number, nor will you ever see theirs. Visit remind.com to learn more.

***Please note: This is an **optional** means of communication. It is your choice to sign up or have your student sign up if they have a cell phone that allows text messaging. As long as you receive my weekly e-mails, then you will continue to receive all band news and announcements. This is just an effort to communicate as efficiently and conveniently as possible and meet people where they are most.

9th Grade students: You must re-enroll in these groups every year. Remind groups are cleared/purged at the end of the school year.
