

AUBURN BAND PARENT ASSOCIATION

Greetings from **The Auburn Band Parents Association,**

We would like you to consider sponsorship of our award-winning Auburn High School Marching Band, and in so doing, support **all of the Auburn City Schools Band Programs.** With your support, we will be able to supply our band directors with the supplemental materials they need to sustain their sterling band programs. As involved community partners, you will be true champions to this group of band educators and their students.

The award winning AHS Marching Band is poised to kick off the 2023-2024 school year in grand style. The marching band will perform at all football games, homecoming parade, city sponsored Christmas parade, and 2-3 marching band competitions.

The marching band has been invited to perform in the Cherry Blossom Parade in Washington, DC April 13, 2024.. This coming marching band season is full of exciting opportunities... each which will enable band members to serve as Auburn ambassadors by doing what we do best!

Preparation is well underway for this year's halftime show Pantheon. The show is a Greek Mythology show featuring Poseidon, Athena, Hades, and Zeus. The show will feature several soloists throughout and will also have props depicting Greek ruins. As with each football season, the marching band also will perform a variety of pregame programs for each home game AND, of course, enthusiastically inspire our team and fellow fans throughout the entire game by playing all of our favorite fight songs and stand tunes!

Will you help us out this year by being an AHS Marching Band sponsor? Your support is invaluable to our Auburn City Schools band programs. Each sponsorship financially

supports our marching band program, as well as the other 7 concert bands, indoor drum-line and 3 jazz bands at Auburn High, Auburn Junior High and East Samford Middle Schools. In return for your faithful support, we will not miss our opportunity to sing your praises to everyone that will listen!

Approx number of students in each school's band program:

- AHS: 225
- AJHS: 225
- ESS: 190
